**Date:**

East Lake Tarpon Special Fire Control District, as part of our public service program, annually tests and inspects the fire hydrants within our fire control district.

The hydrants are classified either public (county owned and maintained) or private (owned by the homeowner association). Homeowner associations are responsible for the maintenance and servicing of the hydrants located within their jurisdiction.

The following private hydrant(s) need service:

Private Hydrant #	Location	Problem

Please contact us at the above phone number when the hydrant(s) has been repaired. If you have any questions, please call. Thank you for your cooperation.

Respectfully,

Steve Rogers  
Deputy Chief
