To: All Personnel
From: Deputy Chief Greg Godwin *gg55*
Number: District Directive 2022-07 Rev.-01
Date: July 21, 2022

Subject: Knox Box Gate Policy

Effective July 21, 2022, the following policy will be followed any time a department apparatus goes through a gate equipped with a Knox box.

Any time an East Lake Fire Rescue apparatus makes entry through a gate equipped with a Knox box, the gate will be locked open and will remain locked open until the apparatus leaves the gated subdivision or complex.

If a gate has a known “yelp siren” activator, the siren may be used in lieu of the Knox box.
