Number: District Directive 2022-01

Date: January 3, 2022

Subject: **Omicron COVID-19 Variant**

Effective immediately, East Lake Tarpon Special Fire Control District will be following the recommended guidelines that have been issued from the IAFF, FFCA, and the CDC, concerning the Omicron COVID-19 variant.

- Infected (positive test)- Should isolate for 10 days after onset of symptoms OR 7 days with a negative test.
- Exposed (close contact with a confirmed positive person)- Is broken down into 2 categories:
 - Boosted (vaccinated with a booster shot)- There are no work restrictions, however, it is **HIGHLY ENCOURAGED** that you are tested on days 2, 5, and 7.
 - All others (unvaccinated, vaccinated but NOT boosted, previously infected, etc.)-
 - Asymptomatic- **HIGHLY ENCOURAGED** to be tested on days 2, 5, and 7.
 - Symptomatic- Isolate for 10 days OR 7 days with a negative test.

This directive is subject to change as more information is received.
