

EAST LAKE FIRE RESCUE
DAILY APPARATUS CHECKS

Emergency Vehicle Number: E56 (556) Station Number: _____

Start Date: _____ End Date: _____

Start Mileage: _____ End Mileage: _____

Start Engine Hours: _____ End Engine Hours: _____

Legend: X=OK R= Repair Required (**requires a detailed description of problem**)

Record tire pressure reading from gauge

Inspector Employee Number:

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday

Operations	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Engine							
1. Check engine oil and transmission level							
2. Check engine coolant level							
3. Check for frame and suspension integrity							
4. Check power steering fluid							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Outside							
1. Check for fluid leaks under vehicle							
2. Check steering shafts and linkages							
3. Check wheels and lug nuts							
4. Check tire condition							
5. *Check tire air pressure*							
6. Tire tread depth							Last Sheet
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Cab							
1. Check seats and seat belts							
2. Start engine, check all gauges							
3. Check windshield wipers							

4. Check mirrors adjustment and operation							
5. Check horn							
6. Check steering shafts							
7. Check cab glass and mirrors							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Body							
1. Check steps and running boards							
2. Check body condition							
3. Check grab handles							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Electric							
1. Check battery voltage and charging system voltage							
2. Check shoreline voltage system							
3. Check all lights							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Brakes							
1. Check air system for proper air pressure							
2. Check parking brake							
3. Check hydraulic brake fluid if equipped							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Pump							
1. Operate pump, check pump panel engine gauges							
2. Check pump for pressure operation							
3. Check pressure governor operation							
4. Check all pump drain valves							
5. Check all discharge and intake valve operation							
6. Check pump and tank for water leaks							
7. Check all valve bleeder/drain operation							
8. Check primer pump operation							
9. Check water tank level indicator							
10. Check transfer valve operation (if equipped)							
11. Check booster reel operation (if equipped)							
12. Check all pump pressure gauge operation							

13. Check all cooler valves							
14. Check for oil leaks in pump area							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Cab							
1. Fuel key							
2. Knox keys							
3. Radio							
4. Door opener							
5. Head set X4							
6. SCBA X3							
7. Portable radio X4							
8. Passport board							
9. Voice amp X4							
10. EPCR							
11. Pack finder							
12. Map books							
13. TIC							
14. MDC							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Lieutenant Side Cab							
1. Flashlight							
2. TIC							
3. SCBA							
4. Headset							
5. Gas monitor							
6. Accountability tags							
7. Radio							
8. Registration							
9. Insurance card							
10. Spare voice amp							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Rear Cab							
1. SCBA X2							
2. Pack-tracker							
3. EPCR							
4. Accountability board							
5. Flashlights X2							
6. Form box							
7. Portable radios X2							
8. PEP kits X2							
9. BA kit							
10. N95 mask							
11. BVM							
12. Protection kits X4							

13. Pet masks							
14. Binoculars							
15. ERG							
16. Preserve map							
17. Allegro map book							
18. NFPA 906 book							
19. SH map book							
20. TS map book							
21. PH map book							
22. Dunedin map book							
23. Oldsmar map book							
24. Head set X2							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Left Side EMS Comp.							
1. Pedi bag							
2. Trauma bag							
3. Respiratory bag							
4. Suction							
5. Small O2							
6. Large O2							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Left Side							
1. Air bottles X2							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Cross-Lay Comp.							
1. LSB							
2. Sager splint							
3. High-rise kit							
4. 3" hose X2							
5. Pre-connects X2							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
D/E Comp.							
1. D/E book							
2. 5" spanner X4							
3. 3" spanner X2							
4. Hydrant wrench							
5. 2 ½ double female X2							
6. 2 ½ double male X2							
7. 2 ½ reducer X3							
8. 1 ¼ reducer X3							
9. 1 ½ double female X2							
10. Dead-blow mallet							
11. Foam inductor X2							
12. Hose rope X2							
13. Hose roller							

14. 5" pony							
15. 3" pony							
16. Stack tip nozzle							
17. Fog nozzle							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Tool Comp.							
1. 3lb. sledge							
2. 10lb. sledge							
3. Speed ratchet							
4. K-tool							
5. Set of irons							
6. Pick-head axe							
7. Haligan							
8. Round-head shovel							
9. Piercing nozzle							
10. Bolt cutters							
11. VAT kit							
12. Broom							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Left Side Rear Comp.							
1. Danger tape							
2. Caution tape							
3. Ear muffs							
4. Spare portable batteries X3							
5. Pig tails X4							
6. 20amp junction box							
7. Extension cords X2							
8. 20amp extension cord X2							
9. Gas fan							
10. Electric fan							
11. Bucket of petronet							
12. Bag of petronet							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Rear Comp.							
1. Attic ladder							
2. Roof ladder							
3. 24' extension ladder							
4. Trash hook							
5. Pike pole X2							
6. Hydrant bag							
7. Chainsaw							
8. Spare chain for chainsaw							
9. Ear muff							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Right Side							
1. SCBA bottle X2							

2. Water extinguisher							
3. Fire extinguisher							
4. Road triangle kit							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Right Rear Comp.							
1. Step chocks							
2. Grain shovel							
3. Pro-pak							
4. Cribbing							
5. Decon bucket/ cones							
6. Portable light							
7. Body armor X4							
8. AFFF							
9. Class A foam							
10. LZ lights							
11. Combi tool							
12. Spare battery for combi tool							
13. Blitzfire monitor							
14. Dewalt drill box							
15. Extrication pouch							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
Right Center Comp.							
1. Lockout kit							
2. Elevator keys							
3. Yellow hazard bags							
4. LZ lights							
5. Hydrant bags							
6. Rescue tape							
7. Engine starter fluid							
8. Hydrant gauge							
9. Pitot gauge							
10. Triage kit							
11. Spare hood/ gloves							
12. LZ plates							
13. Visquine							
14. Earplugs							
15. Eye protection							
16. Silicone spray							
17. Fuel/ oil mix							
18. Duct tape							
19. Wedges							
20. Shields X2							
21. Animal lasso							
	Mon	Tue	Wed	Thur	Fri	Sat	Sun
